- Add one alternate TIW source for Transformer (T1) (Furukawa Electric Co., Ltd. / TEX-E)
- Add one Varistor source (THINKING ELECTRONIC INDUSTRIAL CO LTD / TVR10681-M)
- Update the manufacturer name and technical description for some components in CCL due to administrative changes
- Minor changes on Label layout, update Enclosure Misc01 & Misc02 accordingly
- Add RM evaluation
- Modify max. operation temperature from 40 deg. C to 39 deg. C

Dear Ping Chen:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements. We appreciate that you have a choice of certification providers and thank you for choosing UL.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at the factory location(s) identified on the Authorization Page of UL File E252331, Vol. D1. You are required to send a copy of this letter to all manufacturing locations authorized under UL File E252331, Vol. D1.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

NOTICE OF COMPLETION  
AND  
AUTHORIZATION TO APPLY THE UL MARK

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL Mark and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.

If you have any questions, please contact me or any of our customer service representatives. And, congratulations again on your achievement!

Sincerely,

Marcell Lin, Handler  
Engineer
